## ORIGAMI BOOKMARKS!

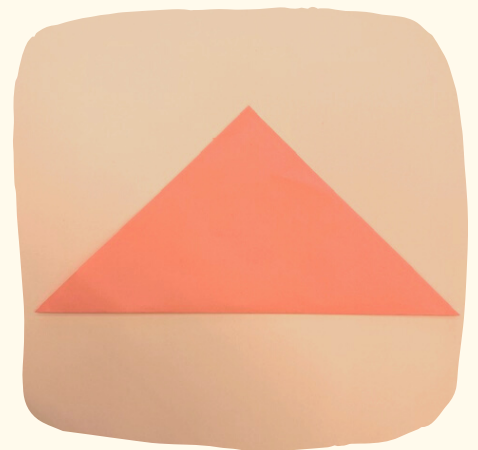

### STEP 1:

Begin with a piece of paper that is around 12 - 15cm square.

### STEP 2:

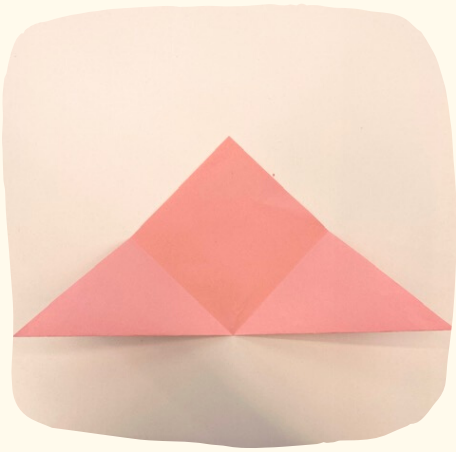

Fold the square into a triangle.

### STEP 3:

Fold the right side point up and crease. Repeat on the left side.

#### STEP 4:

Unfold the two creases so you have your original triangle.

#### STEP 5:

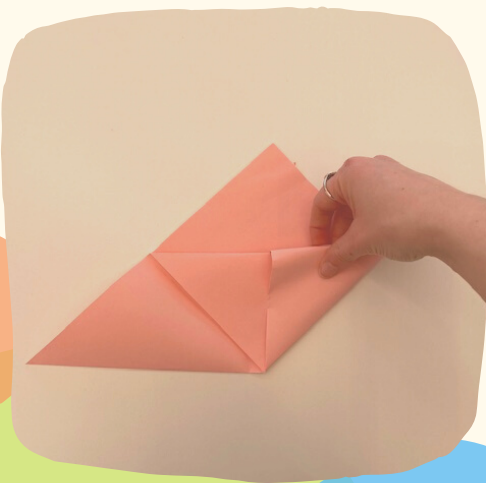

Fold the top point of the triangle down to meet the bottom edge then crease.

#### STEP 6:

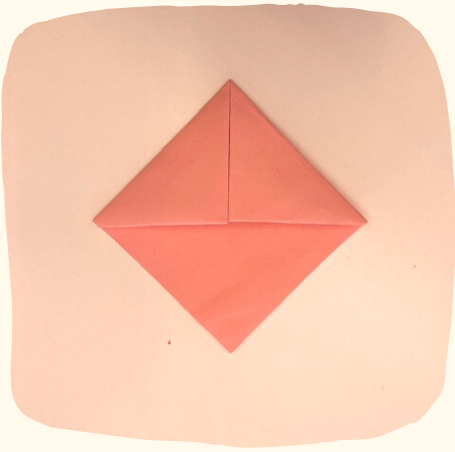

Bend the right side point up and over the straight edge. Repeat on left side.

Tip: Hold paper in both hands to expand the bottom edge to help push the paper to the bottom on the other side.

## STEP 7:

Decorate your bookmark!  
You can use coloured  
markers, paint, pencils,  
glitter and more!

Share your
